**Ballistic Shield**

## Ballistic Backpack

Tel : 886-2-2700-8682

E-Mail : [sales@sharpe-security.com](mailto:sales@sharpe-security.com)

# BULLET/STAB/SPIKE RESISTANT BACKPACK

## YH-001

- Equipped with NIJ 0101.04 or 0101.06 Level IIIA soft ballistic panel and NIJ 0108.01 or 0101.06 Level III hard ballistic panel being an additional option to increase protection level
- Good ballistic panel commonality and alternate among SHARPE ballistic backpacks and vests; capable to be used in SHARPE ballistic vests as well as backpacks
- Unprecedented D.D.D. (Drop-Down Defense) design for the optional NIJ 0108.01/0101.06 Level III hard ballistic panel to drop down and increase ballistic protection coverage
- Specific stab/spike resistant panel pocket capable of adding stab/spike panels as an option
- Custom designs (OEM/ODM) available

## YT-001

- Equipped with NIJ 0101.04 or 0101.06 Level IIIA soft ballistic panel and NIJ 0108.01 or 0101.06 Level III hard ballistic panel being an additional option to increase protection level
- Good ballistic panel commonality capable to be used in SHARPE ballistic vests as well as backpacks
- Unprecedented D.D.D./P.D.D. (Drop-Down Defense/Pull-Down Defense) design for the optional NIJ 0108.01/0101.06 Level III hard ballistic panel (standalone) or 0101.04/0101.06 Level IIIA soft ballistic panel to go down and increase ballistic protection coverage
- Specific stab/spike resistant panel pocket capable of adding stab/spike panels as an option
- Custom designs (OEM/ODM) available

TEL : +886-2-2700-8682

ADD : 9F.-1, No.1, Sec. 2, Dunhua S. Rd., Taipei 106, Taiwan ROC

E-MAIL : sales@sharpe-security.com

# BULLET RESISTANT VEST

## YUV-X01 (Enforcer XP)

- NIJ 0101.06 certified, Level IIIA
- Waterproof, ultrasonically-sealed ballistic panel cover
- Advanced Carrier System (ACS) for extreme comfort
- Armor package: 100% DuPont Kevlar XP
- Weight: size L around 1.9 kg

## YUV-601 (Enforcer 6000)

- NIJ 0101.06 certified, Level IIIA
- Less than 1 lb. per square foot
- Armor Package: DuPont Kevlar, Honeywell Gold
- Shield and Spectra Shield
- Weight: Size L  
(Male) around 1.68 kg  
(Female) around 1.73 kg

TEL : +886-2-2700-8682

ADD : 9F.-1, No.1, Sec. 2, Dunhua S. Rd., Taipei 106, Taiwan ROC

E-MAIL : sales@sharpe-security.com

## YUV-501 (Enforcer 5000)

- NIJ 0101.06 certified, Level IIIA
- Higher performance hybrid ballistic blend
- Softer and more flexible than any previous NIJ .06 vest combination
- Advanced Carrier System (ACS) for extreme carrier comfort
- Armor Package: Honeywell Gold Flex, Spectra Shield II, DuPont Kevlar XP
- Weight: Size L around 1.85 kg

## YUV-201 (Enforcer 2000)

- NIJ 0101.06 certified, Level IIIA
- Budget-friendly
- Poly cotton carrier
- Armor Package: unique blend of woven aramid fibers
- Weight: Size L around 2.37 kg

TEL : +886-2-2700-8682

ADD : 9F.-1, No.1, Sec. 2, Dunhua S. Rd., Taipei 106, Taiwan ROC

E-MAIL : sales@sharpe-security.com

## YMV-001 (Concealable)

- NIJ 0101.04 certified, Level IIIA
- Body armor protection covers front, back, and sides protection
- Moisture transferring & quick drying textile on the outside
- UV-proof and water-proof treatment nylon fabric to effectively cover ballistic material
- Weight : Size L around 2.1 kg

TEL : +886-2-2700-8682

ADD : 9F.-1, No.1, Sec. 2, Dunhua S. Rd., Taipei 106, Taiwan ROC

E-MAIL : sales@sharpe-security.com

# BALLISTIC HELMET

## YUH-P01 (PASGT)

- NIJ 0108.01 certified, Level IIIA
- Full coverage
- The most popular helmet design worldwide
- Fully adjustable harness system for a secure, comfortable fit

## YUH-C01 (Combat)

- NIJ 0108.01 certified, Level IIIA
- Lighter weight than a PASGT helmet for improved mobility
- Higher cut design for enhanced peripheral vision and increased hearing acuity.
- Fully adjustable harness system for a secure, comfortable fit

TEL : +886-2-2700-8682

ADD : 9F.-1, No.1, Sec. 2, Dunhua S. Rd., Taipei 106, Taiwan ROC

E-MAIL : sales@sharpe-security.com

## YUH-A01M (Ach Mich)

- NIJ 0108.01 certified, Level IIIA
- The same size as the Combat Helmet, but features a flat, no-visor helmet design which facilitates mounting NVG's or other optics/ lights.
- Fully adjustable harness system for a secure, comfortable fit

## YUH-T01 (Tank)

- NIJ 0108.01 certified, Level IIIA
- Lightweight, cut-down helmet with ear sections removed
- Minimal weight with maximum audio acuity
- Accommodates communication equipment or hearing protection

TEL : +886-2-2700-8682

ADD : 9F.-1, No.1, Sec. 2, Dunhua S. Rd., Taipei 106, Taiwan ROC

E-MAIL : sales@sharpe-security.com

## YUH-R01 (Rapid Attack)

- NIJ 0108.01 certified, Level IIIA
- High cut helmet for minimal weight and maximum visibility
- Innovative suspension and adjustment system
- Built-in Picatinny rails system and NVG front mount for additional optics and illumination equipment

## YMH-P02M (PASGT/ MICH)

- NIJ 0108.01 Level IIIA 9 mm protection
- MIL Level V50 up to 670 m/s
- Manufactured precisely as per US Military PASGT style
- Ballistic shell made of Aramid composite
- Improved 7 pcs foam pad suspension system enabling a comfortable fit on and around the head
- 4 points style chin strap system easy to adjust
- Provides improved impact resistance, stability, and shock absorption

TEL : +886-2-2700-8682

ADD : 9F.-1, No.1, Sec. 2, Dunhua S. Rd., Taipei 106, Taiwan ROC

E-MAIL : sales@sharpe-security.com

# BALLISTIC SHIELD

## YUS-001

- U. S. ARMOR C-Series NIJ Level IIIA
- Monolithic polyurethane shield viewport reducing weight and increasing vision clarity
- Boltless assembly eliminates secondary projectiles
- 100% aramid construction reinforced with rigid thermoplastic
- Balanced handle with forearm padding

## YMS-001

- Protection level: NIJ-STD-0108.01 Level IIIA
- Protects against 9mm FMJ 124.0gr/8Gram
- Protects against .44 Magnum SWC 240.0 gr/ 15.55 Grams

TEL : +886-2-2700-8682

ADD : 9F.-1, No.1, Sec. 2, Dunhua S. Rd., Taipei 106, Taiwan ROC

E-MAIL : sales@sharpe-security.com

# YMS-002

- Qualified for NIJ 0108.01 threat level III and AK47 MSC ballistic resistance test
- Protects against 7.62mm FMJ bullets with nominal masses of 150 gr. impacting at a velocity of 2800 feet per second or less
- Protects against AK47, 7.62\*39mm (Mild Steel Core) lead SWC bullets with gas checks and nominal masses of 123 gr. impacting at a velocity of 2500 feet per second or less

TEL : +886-2-2700-8682

ADD : 9F.-1, No.1, Sec. 2, Dunhua S. Rd., Taipei 106, Taiwan ROC

E-MAIL : sales@sharpe-security.com

# BALLISTIC INSERT PLATE

## YUP-1xx UMWPE Level III Rifle Plates

Shooter's Cut

Full Cut

- NIJ 0101.06 certified
- Standalone
- 1/2 the weight of comparable Level III plates
- Capable of stopping multiple shots of non-AP 7.62 mm and lesser threats
- Ultrahigh Molecular Weight Polyethylene internal material
- Black Line-X coating

## YUP-2xx Ceramic Level III+ Rifle Plates

- NIJ 0101.06 certified
- Standalone
- Dual curve, high-density alumina ceramic core
- Capable of stopping a single shot of non-AP 7.62 mm and lesser threats

TEL : +886-2-2700-8682

ADD : 9F.-1, No.1, Sec. 2, Dunhua S. Rd., Taipei 106, Taiwan ROC

E-MAIL : sales@sharpe-security.com

## YUP-3xx Ceramic Level IV Rifle Plates

Shooter's Cut

Full Cut

- NIJ 0101.06 certified
- Standalone
- 1/2 the weight of comparable Level III plates
- Capable of stopping multiple shots of non-AP 7.62 mm and lesser threats
- Ultrahigh Molecular Weight Polyethylene internal material
- Black Line-X coating

## YMP-001 UHMWPE Level III Rifle Plates

- NIJ 0108.01 Level III ballistic protection
- Protects against 7.62mm FMJ bullets with nominal masses of 150 gr. impacting at a velocity of 2800 feet per second or less
- Standalone
- Custom designs (OEM/ODM) available

TEL : +886-2-2700-8682

ADD : 9F.-1, No.1, Sec. 2, Dunhua S. Rd., Taipei 106, Taiwan ROC

E-MAIL : sales@sharpe-security.com

## YM-141 Stun Gun

- 3 in 1 multi-function : Electric shock, alarm, and anti-rubbery
- Low output current and high voltage beyond 40,000V + high-pitched 120 dB alarm + anti-robbery mechanism
- Thoughtful design for users with built-in safety switch and sheath included
- Easy to carry in handbags and ideal for ladies

## YM-151 Stun Gun

- 3 in 1 multi-function : Electric shock, alarm, and anti-rubbery
- Low output current and high voltage beyond 50,000V + high-pitched 130 dB alarm + anti-robbery mechanism
- Thoughtful design for users with built-in safety switch
- Engineered A.B.S. plastic body with impact and anti-breaking resistance

## YM-271 Short Stun Baton

- Giving more mobility for users and with built-in safety switch
- Making electric arc at the tip of the stun baton. With low output current and high output voltage reaching 70,000 V
- Engineered A.B.S. plastic body with impact and anti-breaking resistance

## YM-371 Long Stun Baton

- Ideal to use at long range and built-in safety switch
- Making electric arc at the tip of the stun baton. With low output current and high output voltage reaching 70,000 V
- Engineered A.B.S. plastic body with impact and anti-breaking resistance

## YM-372B/S Long Stun Baton

B/S

- Making electric arc over the entire baton to frighten bandits
- Low output current and high voltage reaching 70,000 V
- A.B.S. plastic body to provide impact and anti-breaking resistance
- Thoughtful design for users with built-in safety switch

## YM-471B/S 4 in 1 Long Stun Baton

- 4 in 1 multi-function: Electric shock, alarm, anti-robbery, and rechargeable power
- High output voltage reaching 70,000V + high-pitched 130 dB alarm + anti-robbery + exclusive power adapter
- A.B.S. plastic body to provide impact and anti-breaking resistance

S/B

TEL : +886-2-2700-8682

ADD : 9F.-1, No.1, Sec. 2, Dunhua S. Rd., Taipei 106, Taiwan ROC

E-MAIL : sales@sharpe-security.com

## YM-51x Stretching Stun Baton T-Bolt

YM-510

YM-515

- (YM-515 only) With Philips KPR118 krypton lamp for brighter and excellent illumination
- Siren/Alarm to generate high-pitched 120 dB sound to frighten ruffian and act as a call for help
- Rapidly stretching baton at a touch of a button to generate (70-100kv) electric shock simultaneously
- Engineered A.B.S. plastic for vibration resistance, anti-breaking, and impact resistance. AISI 304 mirror stainless steel plate with good electric conductivity
- Compatible with either alkaline batteries or rechargeable batteries. (Including a NI-MH rechargeable battery pack and a 8.5V/500-mAh adaptor)
- Specially designed battery cover to securely hold the power pack when using

# PEPPER SPRAY

## YM-T61 Tear Gas / Spray Shooter

- Gas/Mist shooter + high-pitched 130 dB alarm to frighten ruffian and act as a call for help
- Gunshot up to 5 meters and equipping with long-distance range anti-riot ability
- Made out of nylon for better anti-breaking and impact resistance
- Including one pepper spray canister and tear gas/pepper spray canister can be replaced each time when exhausted

## YM-G61 Pepper Spray Canister

- Containing R-134A, condensed hot pepper, and ground mustard. Legal to use in most of the countries and without the components of anesthetic
- The irritating spray to cause people difficulty in breathing, eye watering and coughing badly
- With fire-extinguisher feature and without serious harmful effects to human beings
- Use a specially designed nozzle, depending on wind directions or environmental factors, the spray range is about 3-5 meters

TEL : +886-2-2700-8682

ADD : 9F.-1, No.1, Sec. 2, Dunhua S. Rd., Taipei 106, Taiwan ROC

E-MAIL : sales@sharpe-security.com

## YM-61/62 Handy Pepper Spray

YM-61(18c.c.)

YM-62(25c.c.)

- Contain R-134A, pepper concentrate, and ground mustard. Contain no anesthetic and is environmental friendly
- Act as a small fire extinguisher
- Use a specially designed nozzle, depending on wind directions or environmental factors, the spray range is about 3-5 meters
- Some restrictions of possessing this product may apply to certain countries or states

## YM-63A Pepper Spray With Alarm

- Containing R-134A, condensed hot pepper, and ground mustard. Legal to use in most of the countries and without the components of anesthetic
- With built-in 120dB alarm
- With fire-extinguisher feature and without serious harmful effects to human beings
- Use a specially designed nozzle, depending on wind directions or environmental factors, the spray range is about 3-5 meters

TEL : +886-2-2700-8682

ADD : 9F.-1, No.1, Sec. 2, Dunhua S. Rd., Taipei 106, Taiwan ROC

# FLASHLIGHT

## YA-201

- Special Feature: Dry cell, 100%, 30%,10% intensity; Blinking and SOS function; Water resistant
- LED: Cree® XLAMP® XP-G R5 LED, up to 240 lumens
- Lamp Life: Up to 100,000 hrs
- Battery Type: 3 \* AAA Dry Cell (Battery not included)
- Runtime: 1.5 hrs (100% intensity); 6 hrs (30% intensity); 36 hrs (10% intensity)
- Certificate: CE Certificate compliant
- Colour: Matte Black
- Length: 115 mm

## YA-301

- Special Feature: Dry cell, 100%, 30%,10% intensity; Blinking and SOS function; Water resistant
- LED: Cree® XLAMP® XP-G R5 LED, up to 300 lumens
- Lamp Life: Up to 100,000 hrs
- Battery Type: 2 \* CR123A Dry Cell (battery not included)
- Runtime: 2.5 hrs (100% intensity); 10 hrs (30% intensity); 40 hrs (10% intensity)
- Certificate: CE Certificate compliant
- Colour: Matte Black
- Length: 134 mm

ADD : 9F.-1, No.1, Sec. 2, Dunhua S. Rd., Taipei 106, Taiwan ROC

E-MAIL : sales@sharpe-security.com

## YA-601

- Special Feature: Rechargeable, 100%, 10% intensity; Blinking and SOS function; ERS Control from 100% to 5% brightness selection by one touch button
- LED: Cree® XLAMP® XM-L LED, up to 600 lumens
- Lamp Life: Up to 100,000 hrs
- Battery: 18650 3.7V 2200mAh Li-Ion rechargeable battery
- Switching Adaptor: Input 100V - 240V; Output 4.2V 500mA; CE approval
- Runtime: 1.5 hrs (100% intensity); 15 hrs (10% intensity)
- Certificate: CE Certificate compliant
- Colour: Matte Black
- Length: 172 mm

## YA-602

- Special Feature: Rechargeable, 100%, 10% intensity; Blinking and SOS function; ERS Control from 100% to 5% brightness selection by one touch button
- LED: Cree® XLAMP® XM-L LED, up to 600 lumens
- Lamp Life: Up to 100,000 hrs
- Battery: 18650 3.7V 2200mAh Li-Ion rechargeable battery
- Switching Adaptor: Input 100V - 240V; Output 4.2V 500mA; CE approval
- Runtime: 1.5 hrs (100% intensity); 15 hrs (10% intensity)
- Certificate: CE Certificate compliant
- Colour: Matte Black
- Length: 170 mm

# SPORTING CAMERA GLASSES

## YE-711 Sporting Camera Glasses

- Certification: RoHS, CE, Lens UV Test Report
- 720P video recorder (1280\*720, real hardware decoding)
- UV 400 protection
- Water-resistant
- Quick start recording with only one button
- Different capacity of internal memory for option
- Grilamid® TR90TM frames: extremely lightweight, comfortable and high-wrap
- Memory: Built-in, up to 32 GB (option)
- Weight: 38g only (lens and battery included)
- Perfect for outdoor activities, also suitable for car DVR

## YE-712 Sporting Camera Glasses

- Certification: RoHS, CE, Lens UV Test Report
- 720P video recorder (1280\*720, real hardware decoding)
- UV 400 protection
- Water-resistant
- Quick start recording with only one button
- Different capacity of internal memory for option
- Grilamid® TR90TM frames: extremely lightweight, comfortable and high-wrap
- Weight: 38g only (lens and battery included)
- Perfect for outdoor activities, also suitable for car DVR
- Frame options: Matte Black Frame/ Camo Frame

Black

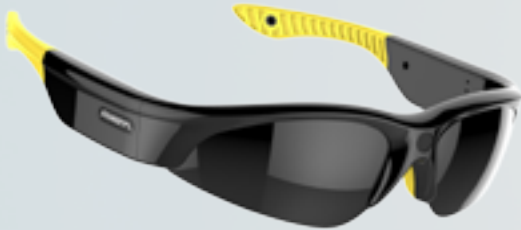

Camo

## YE-121 Sporting Camera Glasses

- Certification: RoHS, CE, Lens UV Test Report
- Full 1080P HD, 30 fps
- UV 400 protection
- Water-resistant
- Quick start recording with only one button
- Power duration: 3.5-4 hours
- Different capacity of external memory, from 4GB to 32GB
- Grilamid® TR90™ frames: extremely lightweight, comfortable and high-wrap
- Perfect for outdoor activities, also suitable for car DVR

## YL-111 Sport Camera Sunglasses

- Certification: RoHS, CE, FCC
- Full HD1080P
- Wide angle 142 degree camera
- Interchangeable polarized lenses
- Water-resistant
- UV 400 protection
- Perfect for outdoor activities

TEL : +886-2-2700-8682

ADD : 9F.-1, No.1, Sec. 2, Dunhua S. Rd., Taipei 106, Taiwan ROC

## YL-D21W Wifi Camera Glasses

- Certification: RoHS, CE, FCC
- Full HD1080P 30 fps/ 720P 60fps
- Wide angle 142 degree camera
- Grilamid® TR90 frame
- Interchangeable UV 400 protection lenses
- Water-resistant
- Built- in Wifi system and real-time video transferring to smart phone
- Suitable for everyday life and outdoor activities

## YL-D31WS Camera Skiing or Moto Goggles

- Certification: RoHS, CE, FCC
- HD 720P
- Wide angle 130 degree camera
- Colorful double layer anti-fog lens for snow sports
- Interchangeable lens
- Water-resistant
